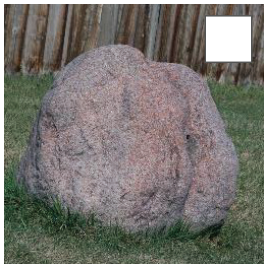
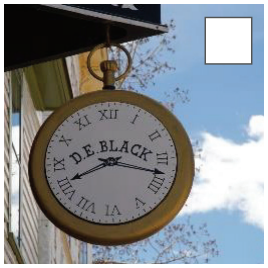
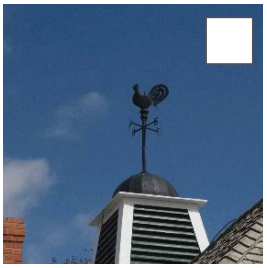
GRADE K - 2

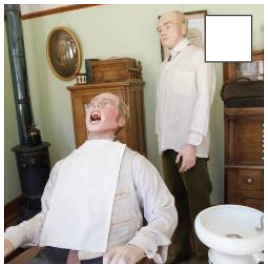
Living History
Scavenger Hunt

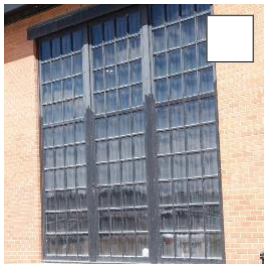
The items you are searching for today will be located outside, so there is no need to go into any buildings to find them. This scavenger hunt does not need to be done in any particular order, but it will be easier to do the hunt in sections. For instance, find all the items in the Settlement before moving onto the Village.

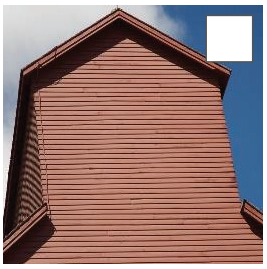


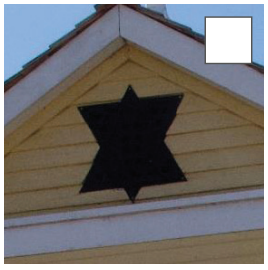




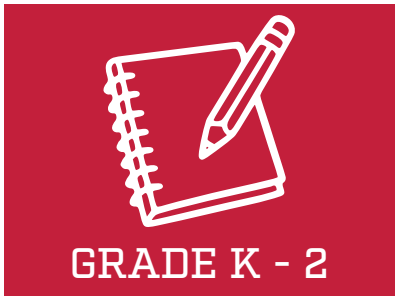








HERITAGE PARK



History Journal

Record some of your best memories from today.
Draw your favourite artefact or the animal you liked the best –
anything you want to remember!
