

THE MILK CARTON WARMING HUT

NOSTALGIC OBJECTS HAVE THE POWER TO WARM THE HEART BY EVOKING HAPPY CHILDHOOD MEMORIES. THE MILK CARTON WARMING HUT IS A POP ART STYLE SCULPTURE CREATED IN THE FORM OF THE CLASSIC PAPER MILK CARTON MANY OF US GREW UP WITH AND REMEMBER FONDLY. THE OUTSIDE IS PAINTED WITH A FLUORESCENT PAINT SO THAT IT LITERALLY GLOWS AGAINST THE MUTED COLORS OF WINTER DAY AND NIGHT, DRAWING PEOPLE'S ATTENTION AND CURIOSITY. THE STRUCTURE IS MADE ENTIRELY OF SCULPTED RIGID FOAM BOARD MEANING THAT PEOPLE WILL BE PHYSICALLY WARMED ONCE THEY STEP INSIDE. ONCE THERE, A WELCOMING SEAT BECKONS THEM TO SIT, WHILE THE LINES OF THE INSULATION FOAM INVITE THE VISITORS TO LOOK UP TOWARDS THE MILK CARTON OPENING WHERE THEY WILL SEE THE WARM GLOW OF THE SUN IN THE DAY OR THE TWINKLE OF THE STARS AT NIGHT.
